Merchants Committee Is Primed for Christmas Decoration Fund Drive; More and Brighter Lights Planned; Decorations To Be Added

Though summer zephyrs still gently flutter over the valley, Campbell merchants are deep in thoughts of the coming Christmas season. An enthusiastic gathering of some 35 business people, owners of Campbell stores, gathered last Monday night at Country Women's Club for a discussion of Christmas plans.

Chief topic of discussion was the decorating of the main streets of the town, and of having prize awards made to merchants who do an outstanding job of decorating their own stores in the Christmas spirit. All of last year's decorations, which cost in the neighborhood of \$500 will be again used, plus an added amount of lights and streamers which it is hoped will be double the amount used last year.

Cost last year was a little over \$800 for labor and equipment. This amount was collected largely by one man, Mr. L. E. Garcia on behalf of the Chamber of Commerce. It has been decided to divide the community into blocks

this year with teams composed of two people each calling on the merchants in their blocks. In this manner it is hoped to make the work less tedious for any one individual, and to insure a complete coverage of the town. A goal of \$1000 has been tentatively set for this year. Volunteer workers are needed to assist in the preparation of the strings of lights, and in the making of bright and cheery decorations for the poles along the streets.

Committeemen named to do the actual collecting of funds are: Dick Lazzarini, vicinity of San Jose-Los Gatos Highway, (including his own store, Re's); Jim Arends Jr. and Anthony Turturici from the railroad tracks east to Los Gatos Creek; Mrs. I. O. McConnell and Tom Burnett the block between Harrison and Central avenues; Cel Gerevas, all commercial and industrial plants; Merle Seavers, the Virginia Court between Central and First streets; Dobie Jeffers and Harry Blain-

chard all business places on Campbell avenue between Central and First streets with the exception of the Court; Ed Hubert and Bill Maderis will cover the district between the Post Office and the Winchester corner; Jim Brand the

WOMEN TO PARTICIPATE

Women of the Chamber of Commerce will decide upon a unified theme for Campbell's Christmas decorations this year.

They were appointed as a committee Monday evening on motion of William Maderis and with the approval of the C of C merchants committee to draw up plans for decorating the streets for the holiday season.

Named to the committee were Mrs. Azelia M. Rhea, Mrs. Thomas Burnett, Mrs. Helen DeRose, Mrs. I. O. McConnell, Mrs. P. N. Flagg and Mrs. H. D. Blanchard.

The women's committee will meet at 9:30 a.m. Monday.

district from Campbell avenue to Rincon. All committeemen will function as a part of the merchants committee of the Chamber of Commerce under the general chairmanship of Frank Accardi.

There are only 72 shopping days left until Christmas, it was pointed out by Mr. Accardi in his plea to have all of the merchants take an active and participating interest in bringing the Christmas spirit to the streets of Campbell. The brigades of workers will start out on their fund-raising campaign on Monday, October 4. Every dollar collected for the Christmas fund will be expended on improved street decorations. Other civic organizations are also to be asked to assist in the program. Representatives of the Business and Professional Womens Club attended the meeting and are to bring the matter up at their next regular meeting with a view to having that organization take over the making of some of the decorations.

Three R's on Half Schedule

Third Graders at San Tomas School take turns at the same desk as morning and afternoon classes replace each other in the same room.

Photo shows conditions in the Campbell Elementary Schools where record enrollments have enforced a half-day session for 28 classes. Voters will go to the polls Oct. 15 to ballot on school bonds to relieve this problem.

Light Expert To Explain Annexation To Present District

Leonard Cronkite, public relations manager for the Pacific Gas and Electric Company will come to Campbell Tuesday night, Oct. 5, to explain to residents the procedure they must take in obtaining new lighting for their respective districts.

The scheduled meeting is to be held at Huberts Furniture store, 26 East Campbell avenue, at 7:30 p.m. The meeting is open to the general public and people now residing without the present district, and who desire information on securing lights for their section should attend.

The proposed annexation of sections now without lights to the present district, which was created many years ago, will more than triple the area to be provided with lights, according to William Means, chairman of a committee of citizens chosen to look into the matter.

Petitions must be circulated along the streets where residents desire the annexation. Following this procedure the matter is placed before the Board of Supervisors and when their approval is given the P. G. and E. can then go ahead with the work of installing necessary poles and lines, which will connect with the present district.

Accidental Death Of Lloyd Gardner Saddens District

Lloyd V. Gardner, prominent Campbell resident for the past 35 years, died Saturday following an injury received two days earlier while working in his orchard at 268 Leigh avenue.

Funeral services were held at 3 p.m. Tuesday from the Amos O. Williams chapel.

Campbell Union Grammar School, which he served as a trustee for some 23 years, was closed all day Tuesday in his memory.

He was a member of Orchard City Grange 333 and of Morning Light Lodge 42, I.O.O.F. He lived in the Santa Clara Valley for 50 years.

Gardner was vice president of Santa Clara County Fire Insurance Co., a director of Orchard (Continued on page 10)

Reservations for a dinner planned by Netops Council, Degree of Picochontas, for the near future will close Saturday evening, October 2.

Committees for the dinner are headed by Sharon W. Parker, Margaret Leal and Edith Anderson.

List Donors at Last Unit Visit

Donors who gave blood at the last visit of the mobile Blood Bank unit, American Red Cross, were Fred Jones Jr., Robert Reese, Roy S. Zimmer, Russel Lambert John Atteberry, Mr. and Mrs. Donald Snow, Harlan E. Johnson, Lloyd L. Ross, Earl Glenn Clark and Mrs. Merle Gardner.

The blood will be used for Campbell residents in need of transfusion and is supplied without charge.

Rose Resnick Gives Piano Recital at Kiwanis Dinner

Interest in a summer camp for the blind, to be located in the Santa Clara Valley, was stepped up Tuesday evening with the personal appearance here of Rose Resnick.

Miss Resnick presented a piano program and talk at a Ladies Night dinner given by Campbell Kiwanis Club in Library hall.

Blind herself, the artist has become one of the chief advocates of the camp to aid blind children. Her program included a group of original songs, and moving pictures of the camp held last summer were shown.

She was introduced by Alex Hart.

Wives of Kiwanis members formed a committee on arrangements. Mrs. Clarence Nelson serving as chairman. Mrs. Lowell Benson collected fines during dinner. Mrs. E. E. Lanphear was in charge of decorations and Mrs. C. F. Klassen led singing, assisted by Mrs. Erma Sanders.

C. P. Klassen, Lloyd Nelson and Relfe Erhet sang "Let the Rest of the World Go By" and Lloyd Nelson sang "When Irish Eyes Are Smiling."

Attend BPW Conference

Nine Campbell women attended a Bay Area conference of Business and Professional Women's clubs Saturday and Sunday at Asilomar.

Mrs. W. H. Goodell and Mrs. Kenneth Gray were delegates from the Campbell club.

State and national officers of the organization urged the women to vote in the November elections and asked them to stress co-operation with other clubs in all their local projects.

Rotarians Honored

Members of Campbell Rotary club were honored at their last Monday luncheon by a visit from Harold Bostock, newly elected Governor of the 104th District.

Harold was introduced to members and a large number of guests by President Jim Arends. He delivered a sincere and enlightening talk on the aims of Rotary throughout the world. Harold placed a great deal of emphasis on service to the community and to one's fellow man. He has recently returned from the world conference held at Quebec City where he said that he had learned much of the ways of international work being done by Rotary.

Chrysanthemum Tea Programmed for Thursday by Methodist Ladies

All details are complete for the chrysanthemum tea which the ladies of the Women's Society of Christian Service are giving Thursday, Oct. 7, in the Country Women's Clubrooms in the Campbell Library Building.

A program of much interest has been arranged by the committee in charge for 2:30. Guest speaker will be George A. Davies of Los Gatos, who has just returned from a world tour. Musical numbers will be given by Mrs. Jack Beardsley and Rev. Lawrence J. Osborne.

Since the tea is replacing the usual fall bazaar there will be table displays of many useful ar-

ticles including children's clothes, knit articles, aprons, embroidered pillow cases, tea towels, luncheon cloths and other articles useful in your Christmas shopping.

The "on hand" articles will be for sale and from these, orders will be taken with deliveries promised in time for your Christmas packages or whatever future date you would like them.

Mrs. Clara Baldwin will have a table of holiday cards and cook books.

Anyone wishing to make table reservations may do so by phoning Mrs. Fred Fellman, Campbell 2204.

Guy Smith Elected By Legion Council

Guy W. Smith, commander of American Legion Post 596 of Campbell, has been elected sergeant-at-arms by the Santa Clara County Council of the Legion. He also holds the post of correspondent in the Forty and Eight, Santa Clara County.

New Council Commander is William J. Morgan of Santa Clara Post 419 and other new officers are F. A. Hazelton, Morgan Hill, first vice commander; Carl Nickel, Palo Alto, second vice-commander; Joe Zingarelli, Lot Altos, judge advocate.

Richard Lockwood Lloyds at Home After Russian River Honeymoon

Of interest in Campbell is news of the recent wedding of Richard Lockwood Lloyd and Miss Barbara Clare Medlock, both graduates of Campbell Union High School and well known members of the younger group here.

The bride is the daughter of Mrs. Raymond Porter Marr and the late George W. Medlock, and is the granddaughter of Mark W. Purmort of Campbell.

The bridegroom attended Palo Alto schools and, after his graduation from Campbell High School, he studied at San Jose State College. His fraternity is Theta Mu Sigma. The benedict is the son of Mrs. Therese Coulter Lloyd and the late Ernest F. Lloyd, and he is the grandson of the Rev. and Mrs. William H. Lloyd of Campbell. He has one sister, Roxie Lloyd Harrington.

Calvary Methodist Church was the setting for the candlelight wedding ceremony at which the Rev. James Strayer officiated. Basket arrangements of white gladioli and stock composed the altar decor.

The bride was given in marriage by her step-father, Raymond Porter Marr. Satin cutwork outlined the marquisette yoke of her white slipper satin gown which was styled with gracefully draped skirt, bustle back and a sweeping train. A tiara of seed pearls with miniature clusters of orange blossoms, rose buds and calla lilies held her long veil. Insets and edging of Chantilly lace trimmed the veil, and the bride's only jewelry was a single strand of pearls. The former Miss Medlock carried an heirloom prayer book with an orchid and bouquet streamers.

Miss Georgene Lloyd of Campbell, cousin of the bridegroom, was honor attendant, and the bridesmaids were Miss Jean Smith of Campbell and Miss Marilyn Di Vincenzi of San Jose. Little Miss Karen Leigh Joseph of San Jose preceded the bride as flower girl.

Three fraternity brothers of the bridegroom completed the wedding party. Robert Thom of Los Altos acted as best man, and Holly Cornelius of Palo Alto and William Courtney of Sacramento were ushers. Mrs. James Strayer played the traditional wedding music and accompanied the vocalist, David McDaniel. Candelights were Mrs. Robert Heimgartner and Mrs. Arthur Coleman.

The bride's mother chose a forest green gown for the wedding ceremony, and she completed her costume with cocoa brown accessories. The bridegroom's mother wore a pale green suit with dark brown accessories, and both mothers wore corsages of vanda orchids.

After the service, Mr. and Mrs. Lloyd greeted friends and relatives at a reception in the church social hall. Esther Reed daisies, white asters, greenery and candelabra were arranged in the decor, and the bride's table was

centered with a five-tiered wedding cake.

When the couple departed on their wedding trip to the Bay Area and Russian River, they were attired in matching gray suits. The bride accented her tulle with dove gray accessories and an orchid corsage. Mr. and Mrs. Lloyd will make their home in Willow Glen.

Watercolorist In Exhibit

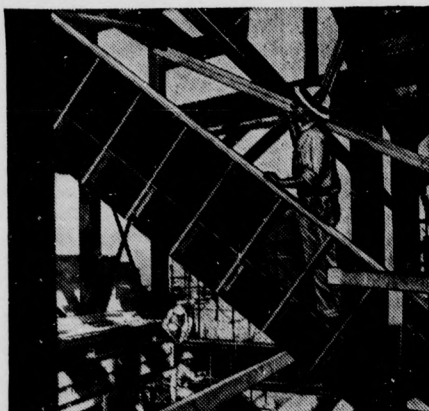

The Art League of California opened a one-man exhibit by Louis J. Hughes, well-known watercolorist, Saturday in its galleries, 582 California street, San Francisco. Future exhibits will include the works of Louis Siegfried and Melvin Fowler. Tea will be served each Saturday afternoon from 2:30 to 5. The public is invited.

MILLIONTH Postwar telephone added

How we've put in telephones almost three times as fast as ever before in the West

2. We've literally built a city spread over the West... hundreds of new buildings and major additions. New wire has been strung... new cables laid... an astounding total of three million miles. And we're rushing still more construction—half a million dollars worth, every day—to meet the public demand for service.

4. Millions of new working dollars... needed to extend and improve service... must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.

Club Previews Flower Show Tea

With the holiday season not too far away, the Campbell Garden Club has chosen October 20 as the date for their garden show and tea, giving all who attend the advantage of a colorful review of proper table decorations for any festive occasion.

Under the capable direction of Mrs. Monica Parr, the first flower show undertaken by the Campbell organization, promises to be of outstanding interest to the general public as well as to flower and garden enthusiasts.

Elaborate table decoration and place settings have been planned to display numerous arrangements which befit practically any special occasion. The show will open at 10 a.m., on Wednesday, Oct.

20 at the Country Woman's Club on Campbell avenue. Refreshments will be served throughout the afternoon and evening. Especially featured will be chrysanthemums in all their glorious fall shades, together with rare potted plants, exotic miniature arrangements as well as many interesting displays from south of the border.

Two unusual plants will be given away during the show. Tickets may be purchased by phoning Mrs. Harold Peck, Campbell 3429.

Next meeting of the Campbell Garden Club will be held at the Country Woman's Club rooms on October 6, at 2 p.m., when Mr. Ray Hartman of Coates Nurseries will speak on landscaping.

Extension Group Plans Sewing Demonstration

Right in the midst of fall sewing for a good many women and well ahead of the Christmas sewing season, the local Agricultural Extension service group is inviting all Campbell women to a sewing demonstration by Mrs. Winifred Jaeger.

From 10 to 12 a.m. Oct. 8—next Friday—in Campbell Methodist church, Mrs. Jaeger will show some quick and easy methods of sewing, briefly reviewing ways to give home tailoring that professional look.

No charge will be made for the instruction, as all meetings of the extension group are free.

He who drives well today will live to drive another day.

Women's Service Club Plans Sale

Putting into action plans they made at their first luncheon meeting last week, Women's Service club members will hold a rummage sale all day Saturday, Oct. 2, in Odd Fellows hall.

Hours of the sale are from 9 a.m. to 7 that evening and will find Mrs. Herman Rice, Mrs. Clarence Helmbold, Mrs. LBen Howard, Mrs. E. R. Kennedy, Mrs. Everett Nelson and Mrs. Rudy Golden on duty as the committee for the event.

1. Here is Ashley Stone of Sacramento, California, whose daddy and mother got the millionth telephone we've added since V-J Day. To make this gain, we've actually had to install three million telephones... for many of our customers have moved their homes and businesses. Telephones we serve are now at an all-time high... over 3,630,000.

3. An amazing amount of new equipment of all kinds has gone to work. We've filled three times as many orders as were waiting on V-J Day. To add these million telephones, we had to get \$400,000,000 of new money from investors. Orders still pour in, and our job is not yet done. But we're working at it mighty hard.

Woman's Club Emphasises Home Theme As Year Begins with Gala Luncheon

On Monday, Sept. 27, the Country Woman's Club of Campbell opened its year with a luncheon held in the club rooms of the library building. Mrs. F. A. Jacobson, president, presided.

The doxology and pledge of allegiance to the flag were led by Mrs. Gregory Parker. Mrs. Jacobson introduced the chairman of the house committee, Mrs. Lowell Benson, who told of the work that had been done on the library building during the summer. Mrs. C. E. Hancock, sunshine chairman, was introduced.

Past presidents honored at the luncheon were Mrs. E. R. Kennedy, Mrs. C. B. Field, Mrs. W. R. Morgan, Mrs. G. E. Jeffers, Mrs. Ida C. Price, Mrs. I. H. Grim, Mrs. L. J. Carboni, Mrs. E. F. Smith and Mrs. R. H. Hyde.

Rev. Lawrence J. Osborne sang a group of three songs most appropriate to the theme of the day: "Hills of Home," "Homing," and "Coming Home." His pianist was Mrs. Edith Van Rossum.

The speaker for the luncheon was Dr. Corwin H. Olds, the new minister of the Congregational Church of Campbell. His topic was "Home, the Heart of the World" which is the theme for the club throughout the year. He stressed the fact that home is always where the children grow up—the heart of the hearth. Home is the center of influence where

children are molded and influenced and they then go out into the world to influence others. Therefore, home is truly the hearth of the world.

A period of silence was observed in honor of Mrs. Sue Boyce.

The club rooms were beautifully decorated. Each table had its own color scheme with pastel table covers and flowers in shades to match. The Board of Directors and Committee chairmen were hostesses at the tables: Mrs. F. A. Jacobson, Mrs. J. M. Dahl, Mrs. Henry Miller, Mrs. Lawrence Hill, Mrs. T. T. Cowper, Mrs. Ira Grim, Mrs. B. T. Morgan, Mrs. L. E. Hendricks, Mrs. Milton Robertson, Mrs. L. J. Benson, Mrs. Eva Grat-tan, Mrs. C. E. Hancock, Mrs. J. B. Collins and Mrs. D. R. Chamber-lin.

The luncheon was served by Howard Coupland.

The next meeting of the Country Woman's Club is to be held at 2:30 p.m., Oct. 4. Mrs. C. B. Field, chairman for the day, announced that Paul Gallagher will be the speaker. His topic will be "The Responsibility of Citizenship." Mrs. Field also announced there will be musical numbers—a pianist and a vocal solo.

To Address Church Youth Rally Sunday

The Western Santa Clara Valley Christian Youth Council will hold its regular, semi-annual rally on Sunday, October 3, at the Cupertino Federated Church. As a part of the business meeting in the rally there will be the election of officers for the coming year.

The program begins at 6 p.m. with a worship service conducted by the Campbell Methodist Youth Fellowship. Dr. C. H. Olds, of the Campbell Congregational Church will bring the main address on the rally theme, "Peace Is My Responsibility." Recreation and refreshments will conclude the program at 9 o'clock.

Membership in the Council is open to all the youth groups of this area. The present membership includes the Methodist, Christian and Presbyterian Churches of Los Gatos, the Sunnyvale Presbyterian Church, the Cupertino Federated Church and the Congregational and Methodist Churches of Campbell. During this past year Thomas Osborne of Campbell has served as president of the Council.

Church Boards To Meet

Lt. Harold A. Taylor will preside at the Church Board of Education meeting next Sunday afternoon at 3 o'clock at the Methodist Church. Following this meeting the Official Board of the church will meet at 4 o'clock. Both meetings are open to all who are interested in planning the fall activities of the church and Sunday School.

St. Lucy's Parishoners Fete Rev. Denis Kennelly's Anniversary

To mark the first anniversary of Rev. Fr. Denis Kennelly's pastorate of St. Lucy's Catholic church, a large group of his parishoners gathered Sept. 18 to honor him.

During the past year the congregation has doubled in attendance, now necessitating two Sunday masses, at 9 a.m. and 10:30 a.m. A new parish house has been purchased, remodeled and completely furnished. St. Lucy's was designated as a parish Sept. 1, 1947, after serving the community for many years as a mission and Father Kennelly is the first pastor to be stationed here.

The evening of entertainment was in charge of Mrs. Monica

World-Wide Service Will Be Observed By Methodists

World-Wide Communion Sunday will be observed in the Methodist Church at the 11 o'clock service next Sunday. Before the celebration of the Lord's Supper there will be the rite of baptism and the reception of members into the church. The combined adult and high school choirs will sing responses and an anthem. The pastor, Rev. L. J. Osborne, will speak on the significance of the world-wide observance of the Lord's Supper.

St. Lucy's Club To Meet Oct. 7

St. Lucy's Women's Club will resume meetings after the summer recess at 2:15 Thursday afternoon, Oct. 7.

The meeting in St. Lucy's parish hall will be presided over by Mrs. Ralph Nelson, the new president. Officers will be mostesses — they are Mrs. Nelson, Mrs. Irene Alamada, Mrs. Genevieve Metcalf, Mrs. Rose Furtado, Mrs. Sophia Lucas, Mrs. Nellie Carvalho and Mrs. Monica Parr.

Taylor-Landers Wedding Read Saturday Evening

John E. Taylor of Campbell and Miss Louise Landers of Palo Alto were united in marriage Saturday evening by the Rev. Lawrence J. Osborne, pastor of First Methodist church, in a ceremony at the home of Mr. and Mrs. J. V. Stuckey, N. First street.

The couple repeated their vows before an improvised altar of magnolia leaves and late summer flowers. Mr. and Mrs. Stuckey entertained at a reception of 50 friends just after the wedding service and bride's table was centered by a tiered cake and white flowers.

The former Miss Landers chose a beige suit with navy blue accessories and wore a corsage of orchids. She was attended by Miss Sue Stuckey who dressed in a

New Gas Ranges Save Time, Food

Is your kitchen range cheating you?

It is if it uses more fuel than the beautiful new gas ranges use. It is a cheat if it wastes precious dollars worth of meat in shrinkage. And it is cheating if it wastes any food, time, and money.

The new gas ranges now being

shown cut kitchen costs way down.

They are positively miserly in their use of fuel—largely because they are engineered for such complete flexibility of heat control. Giant high speed burners bring foods to the maximum temperature in just a few minutes. Tiny simmer burners then take over the task of keeping the food cooking—but the amount of fuel they require is just a fraction of that

required for a regulation sized burner.

Ovens and broilers on the new gas ranges have the same wide range of flexibility. Super-speed burners bring the temperature up in much less time than ever before, and then the temperature can be maintained with only a little fuel.

Of course the perfect insulation of the ovens is one reason why temperatures can be maintained on so miserly an amount of fuel. Every bit of heat is kept in those heat-tight ovens, and none is wasted outside.

Business Women Appreciate New Gas Ranges

Working wives—career women who manage a home as well as a job, can't waste time and energy on mechanical equipment that is out-of-date or inefficient. That's why you will find most of them cooking on a modern gas range. These smart business women know that they actually save money, by using the most modern household equipment available.

The super-efficiency of these new gas ranges appeals to their business sense, because, with the new economy burners, they get far more actual value out of every dollar they spend for fuel, than it is possible to get out of an old range.

The super-features such as giant

Dealers in This City Join in Displays of New Fall Gas Ranges

With the slogan, "Best Buy—the New and Beautiful Gas Range," the Fall showing of new models in all better makes of gas ranges opens this Saturday throughout Northern California, with local dealers in this community participating under the sponsorship of the Gas Appliance Society of California. The event continues through Oct. 16.

An inspection of these beautiful new ranges reveals astonishing progress in both scientific construction and appearance. These new ranges are not only better looking, but better cooking, with many automatic features that make baking, broiling and surface cookery sure and simple.

The experienced cook instantly recognizes that with one of these new gas ranges she can turn even her most conservative dishes into culinary triumphs and that the modern range will execute her commands with precise efficiency.

To those less experienced in this fine art, the modern range is almost like an insurance policy with its many mechanical features to guard against the pitfalls of cookery in bygone days.

Features of these new gas ranges include clock controls available to turn the oven on and off even though the cook is out of the kitchen... 4, 6 and 8 burner models in a wide variety of arrangements... glass oven doors... automatic oven lights, switch-on, take-a-peek oven lights... oven racks that move out automatically when the door is opened... swing out broilers... griddles... deep well cookers... low pressure steam cooking compartment... built-in cooking charts... large deep broilers that serve as extra ovens for barbecuing or roasting... range-to-table pottery grills and chromium boil-and-serve trays... warming compartments... towel dryers... space for crisp storage of cereals...

Remember this one reminder—you'll not find all your dreams in any one range... it's just mechanically not possible. So shop and compare; choose the combination of Dreams for Sale which best suits your own preference and purse, knowing that the new and beautiful gas range is truly today's "Best Buy."

Trounced Spartans Look for Victory Over Tacomans

A bruised and battered San Jose State eleven rested up over the weekend and started preparations for their third game of the young season. The Spartans are still hunting for the victory wreath.

After dropping the opening game to Stanford, 26-20, the Spartans fell before the Nevada whirlwind Friday night, 39-0.

Not since Stanford walloped the Spartans, 48-0, in 1934, has San Jose State absorbed such a lacing as meted out by the Wolfpack. Nevada rolled up the incredible total of 702 yards by ground and air as they lived up to all the advance notices coming out of Reno.

Two ace Spartans received injuries which may keep them sidelined for San Jose's game with Puget Sound this Friday. Little All Coast center Bob Pifferini has a badly injured arm and Guard Joe Juliano, a dislocated shoulder. Mel Stein, ace Spartan flankman, received a cut over his right eye which required two stitches to close.

Once again the Spartan air attack failed to function. Chuck Hughes, Gene Menges and Pete Denevi were able to connect on but three of 17 passes for a miserly total of 32 yards. In two games this season, the Spartan air arm, usually a potent factor, has accounted for but 52 yards.

Coach Bill Hubbard will concentrate on pass defense (Nevada completed 17 out of 32) and his overhead attack as San Jose prepares for Puget Sound. The Tacomans have about the same team which fell to San Jose, 28-0, last year.

Following too close to the car ahead has caused many an accident. The California Highway Patrol explains "too close" as being closer than one car length for each 10 miles of speed.

All the principal varieties of peaches now used for canning originated in California.

Rocks, contrary to popular fancy, are elastic.

Fall Gas Ranges with "New Look" Now Being Displayed by Dealers

Under the sponsorship of the Gas Appliance Society of California, local dealers are joining in a Fall Gas Range Campaign, October 1 through 16, with special displays of the newest and finest in gas ranges of all makes and models.

Housewives who take advantage of this opportunity to view the "better looking, better cooking" ranges will be amazed at the decided changes made recently in range construction and appearance. These beautiful, shining, super-streamlined appliances perform like magic, producing perfect results without a single element of guesswork.

The tops of the ranges are most intriguing. Every manufacturer has stressed convenience and all have arrived at a maximum of usability. Some models specialize in burners at each side, with a flat preparation space in the center. Again burners are on one side, with the preparation space on the other, or the four burners are arranged in soldier-like precision at the back, leaving a clear space in front.

Many tops include a griddle for pancakes, fried foods, toasted sandwiches and other treats. This griddle may also be used as a plate-warmer or to keep foods hot.

The exquisite streamlined effect of all new models is enhanced by long, flat chromium or colored handles, some of them arranged horizontally, some vertically. It is a sure case for the old adage, "every prospect pleases" as every woman is sure to be thrilled by the beauty, convenience and charm of the exterior of the new gas range.

Automatic Controls Save Time

Perhaps the next most important advance in the gas range is to be found in the controls which regulate both the oven heat and the time of cooking. The amazing little heat control dial may be set to the exact temperature required for a recipe, and it will maintain that temperature until the food is properly and perfectly cooked.

The automatic oven control turns the gas on and off at the time indicated and gives perfect results. This freedom from constant oven-watching is the salvation of the modern busy woman, for, placing her dinner in the oven and adjusting the controls, neither the kitchen nor the food need call her until that piping hot dinner is ready to be served.

New Broilers Revolutionary

The new enlarged broilers have revolutionized the art of cookery. New type grills or racks are completely removable, easy-to-clean, and are designed to eliminate all smoke, spatters or danger of fire. Some patented grills cleverly sear and brown the under side as well as the flame side of a steak or chop.

Heavily insulated ovens keep all heat carefully closed up where it will "cook the food and not the cook," leaving the kitchen cool and comfortable. Rounded, enameled construction and removable panels make ovens easy to clean.

New gadgets have come in for special attention. Some ranges have streamlined built-in lighting and controls; others have a clever arrangement of lamp, clock and condiment set. Wonderful little automatic devices light burners throughout without the use of the old-fashioned pilot light or matches. Other features to be found are drawers and doors that open and shut at the touch of a finger, folding cover tops and extra space for storing pots and pans or warming dishes, glass oven

doors, automatic oven lights, and deep well cookers.

Last, but not least, the new burners are designed to save fuel and produce better cooking results, assuring you of more appetizing, better flavored foods. Simmer burners are designed for the new waterless cooking or for pressure cooking, while giant, speedy burners bring foods to a boil almost instantly. All burners are removable for washing.

The new gas range is thus as practical as it is beautiful, truly a masterpiece in efficiency, and a "Best Buy" for any home.

Ovens on all the new better looking, better cooking gas ranges are roomy, with interiors finished in porcelain enamel. They are equipped with scientific ventilation and uniform heat distribution; fitted with strong wire racks that are prevented from tipping by safety stops. Oven temperatures are controlled by thermostats, and the ovens themselves are so effectively insulated that they operate with the greatest fuel economy, while the kitchen is cool even in the warmest weather.

If you enjoy broiled meats (and who doesn't?), you will appreciate the emphasis placed on the perfected new gas ranges. Controlled by the touch of a finger, broilers move up and down, in and out on their ball bearing rollers as if by magic. Like the new ovens, these broilers may be easily cleaned by removing the racks and wiping with a damp cloth.

BROILING AND ROASTING CHARTS

"How long should I broil meat?"—"How long should I roast meat?"

These questions, often asked by housewives, assume added importance today when high prices make everyone anxious to cook food with a minimum of shrinkage and spoilage.

The following charts, prepared by the American Gas Association, provide a guide for perfect results on the new gas ranges.

Old Stoves Often Cause Failures In Cooking

Cooking demonstrators tell us that few cooking failures are traceable to the mixing today because almost every woman follows recipes which are scientifically accurate.

It is in the cooking that failures occur—and usually this is because the heat of the oven or cooking surface is not accurately controllable.

They say that a faulty old stove can eat its head off in ruined food and can waste more money in a few years' time than a sleek new gas range would cost.

Of course the money isn't the only waste to the woman struggling with a cranky old stove. There is the wasted time, the nerve-racking uncertainty about how a dish is going to turn out, the irritations and frayed nerves.

Every woman who spends a percentage of her life in the kitchen owes it to herself and her family to use the very best equipment she can manage to afford. Experts in household management are agreed that the new gas range is today's best buy.

Broiling is not recommended for veal or fresh pork. Meats and chicken should be turned once when about half done. It is not necessary to turn fish.

It is economical and convenient to broil vegetables with the meat—and gives attractive variety to your meals. In that case, vegetables should be buttered, seasoned and placed around meat, usually when meat is turned.

Time Charts for Cooking Vegetables on Your Gas Range

ASPARAGUS: 2 lbs. Wash, remove scales. Tie in bundles. 15-18 minutes.

STRING BEANS: Green, young, tender. 1 1/2 lbs. Wash, remove ends. Slice in thin silvers, lengthwise. 18-25 minutes.

LIMA BEANS: Green. 3 lbs. Shell. Wash. 18-20 minutes.

BEETS: Young, 1 1/2 lbs. Wash. Pared, sliced thin or diced, for "waterless" method only. 22-25 minutes.

BROCCOLI: Bunch—about 1 1/2 lbs. Trim off coarse leaves. Soak 10 minutes in cold, salted water before cooking. Pare and split. 20-25 minutes.

BRUSSELS SPROUTS: Young and green. 1 1/2 lbs. remove wilted leaves. Soak 10 minutes in cold, salted water before cooking. 18-20 minutes.

CABBAGE: 1* lb. head. Remove wilted leaves. Stand in cold water 30 minutes before cooking. 1. Shredded, 8-10 minutes. 2. Quartered, 12-15 minutes.

CARROTS: Tender, 1* lbs. Scrape. Slice in quarters, lengthwise or halves, if small. Or shred. 1. Shredded, 10-12 minutes. 2. Quartered, 15-20 minutes.

CORN ON COB: 6 ears. Husk. Remove silk. 5-12 minutes.

CAULIFLOWER: 1 1/2 lb. head. Wash. Soak in cold, salted water 30 minutes. Separate in flowerets or cook whole. 1. Flowerets, 12-15 minutes. 2. Head, 20-22 minutes.

ONIONS: Small, 1 1/2 lbs. Peel under cold water. 20-22 minutes.

PEAS: Young, 2 lbs. Select plump, well developed pods. Shell. 10-18 minutes.

POTATOES: White, 1 1/2 lbs. Small. Wash. Cook, peeled or in skins. 20-22 minutes.

SPINACH: 2 lbs. Remove roots and wilted leaves. Wash in several waters, lifting out of water rather than pouring off. Add no water as moisture clinging to leaves after washing is sufficient. 12-14 minutes.

SQUASH: 2 lbs. Wash. Cut in thin slices. 1. Summer squash. Cook, season well. 8-10 minutes. 2. Winter squash. Remove seeds and pulp. 20-22 minutes.

TOMATOES: 2 lbs. Wash. Peel. Quarter. Cook in own juice. 8-10 minutes.

TURNIPS: 1 1/2 lbs. 1. White. Wash, peel, slice small. 18-20 minutes. 2. Yellow. Wash, peel, slice small. 20-22 minutes.

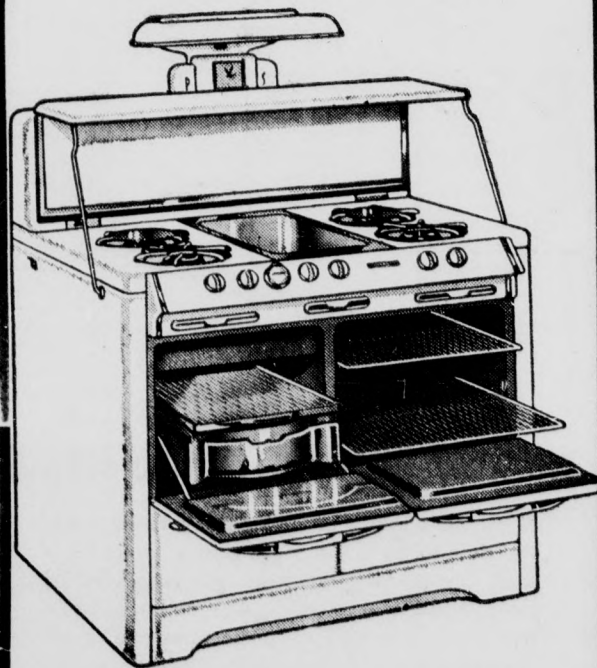

Such tidbits as sizzling tiny sausages and crisp bacon rolls are sure to make a reputation for the hostess who serves them with other hors d'oeuvres.

The quick-heating, high temperature broilers on modern gas ranges make choice morsels like this a matter of a few minutes. They can be prepared at any convenient time and left in the refrigerator to be popped into the broiler when the hosts and guests return from the theatre or dancing party.

Japalac enamel protects for years. Japalac enamel flows, spreads and brushes out quickly and easily. Here's the perfect high gloss finish for most surfaces. Japalac makes old things gleam with sparkling freshness that lasts.

The definite depth of Japalac colors makes them practically wear-proof... can be washed, scrubbed, or exposed to sunlight and still look new a long time. On surfaces subjected to constant wear such as chairs, toys, swings, washing machines, toilet seats, etc., Japalac proves its long-life sturdiness beyond expectations.

Applied with reasonable care Japalac provides a porcelain-like gloss finish—it is clean and sanitary... restores beauty... wards off rust and decay.

What happens when you say...

"Wieland's, please!"

PEOPLE OF THE SANTA CLARA COUNTY AREA who like really good beer benefit in two important ways by asking for Wieland's. Read what Wieland's Brewery means to your community—to the man who sells you this fine beer—and to you.

1. MONEY COMES BACK TO YOU... By supporting local industry, you keep money in circulation here at home... money that comes back in benefits to you. Wieland's is "San Jose's own Beer." It represents a great home-town industry. See how much money Wieland's puts into circulation yearly:

Our bottle house produced a total of 66,870,612 bottles and cans of beer last year.

2. YOU ENJOY REAL OLD-TIME BEER FLAVOR. You can't buy better beer than Wieland's —anywhere. Wieland's Beer is famous for its flavor.

There are many reasons why. Among them is the skill and experience gained through generations of beer-making. At Wieland's they've been brewing better beer for 96 years! Here are more reasons why "Wieland's has the flavor!"

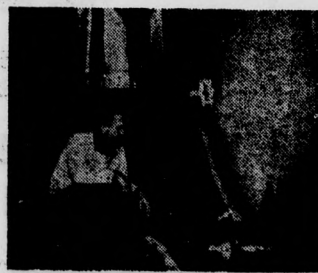

THIS is the opening of one of the giant hoppers—four stories high—in Wieland's own malt house. Here, Wieland's malt is mellowed for months. Wieland's is one of the few brewers that operate their own malt house.

PERFECT FERMENTATION is assured by close personal supervision. The action of the yeast is watched by experts—step by step—until the exact moment Wieland's Beer is ready to be sent to storage for aging.

The "WORT," or liquid extract from the cooked malt, must be uniformly clean and clear before it goes into the final processing. With a keen, experienced eye, Wieland's Brewmaster personally checks each brew.

PROPER AGING is important in producing that wonderful Wieland's flavor. During the long time Wieland's is aged, every storage tank is personally checked every hour to be sure the temperature is correct.

THE ZIP, or liveliness, of Wieland's Beer is due to perfect carbonization. Every day Wieland's is checked for pressure. Not only that day's bottling—but beer bottled weeks and months before!

GOOD FELLOWSHIP and happy working conditions result in a finer finished product. Typical of "the spirit of Wieland's" is this friendly barbecue for employees on holiday at the Wieland's barbecue garden, where over 20,000 Santa Clara County people gather each year for good times.

Wieland's *has the Flavor!*

"SAN JOSE'S OWN BEER"

Four times as many people buy California beers as buy out-of-state brands. But no wonder! These people get beer known to be among the nation's finest. They get it for less money. And, at the same time, they support California employment.

YOU'RE INVITED

to take a personally-conducted tour through Wieland's Brewery... to see with your own eyes the skill and care that go into the brewing of this great beer. Simply phone, and arrangements will be made for you.

State Expects Largest Enrollment In History

San Jose State College, California's oldest publicly-supported college, began its ninety-first year Monday, Sept. 27. Registration was scheduled for Monday and Tuesday with classes meeting on Wednesday.

With more than 4,000 former students expected to return and with an anticipated enrollment of 2600 new students, the total registration is expected to be in excess of 7000, which has been set as a tentative maximum. If applicants for enrollment were accepted the attendance would pass the 8,000 mark, according to Registrar W. H. Neal. The present physical facilities of the college cannot handle an enrollment much in excess of 7,000.

Additions will bring the number of instructors up to about 375, the largest faculty in the history of the college. Saturday afternoon's faculty meeting was held in the Morris Dailey Auditorium, the Little Theater no longer being large enough to accommodate them.

On Sunday afternoon Dr. T. W. MacQuarrie, president of the college, and Mrs. MacQuarrie will be hosts at a reception to the faculty at Montalvo, the estate of the late Senator James Phelan near Saratoga.

Speech Dept. Lists Stage Attractions For '48-'49 Season

Six attractions are calendared by San Jose State College Speech Department for stage presentation this year.

Beginning with what is probably the most ambitious production of the season, State players schedule "King Lear" for Oct. 28-Nov. 2.

Thereafter they list "The Late Christopher Bean" for Dec. 2-6; "Love for Love," Feb. 3-7; Margaret Fleming is scheduled for March 10-14; "Right You Are," May 5-9, and "Rose of the Rancho" will conclude the series June 2-5.

Santa Clara County Fair Goes Over The Top; Record Crowds Well Pleased

After a week of excitement and thrills for fairgoers everywhere, the Fourth Annual Santa Clara County Fair folded for another year. It closed as the most successful Fair this County has ever known. A record-breaking 152,767 flocked to the 163 acres of beautiful grounds, fascinating exhibits, and lively entertainment features.

Everyone who attended the fair agreed that it was the "best presented and most colorful" show they'd seen. Frank C. Mitchell, fair president, voiced his satisfaction saying, "The Fourth Annual Santa Clara County Fair reached a climax with an all-time high in attendance, ending a week of excitement, entertainment and education and firmly establishing it as 'California's Greatest County Fair.'"

Participants came from as far South as Riverside, California, to Yakima, Washington.

Lobsters are considered mature at a body length of 8.9 inches.

Join a great team ...
IF we Californians fail to go to the polls ...
IF we fail to vote out the administration of confusion, of class warfare, of blind waste ...
IF we fail to vote out the inept resident of the White House ...
THEN the result will only be our own fault, and we will deserve — in payment for our indifference — the four more years of bungling red tape and defeatism that have weighed us down for the past sixteen years.

John Rankin Opens Seaside Station

Rankin Seaside Service station opened this week at 32 S. Winchester road in a new structure built by Herbert Gardner.

John A. Rankin, owner of the business, has John Maehrlein as his associate.

Mr. Rankin, a Lot Gatan, is sub-distributor in this district for C. A. Miller, Seaside Oil Company. He is secretary-treasurer of the San Jose chapter, Santa Clara University Alumni association and a member of the Serra club. During the war he served as a U. S. Navy Lieutenant aboard carriers in the Atlantic and Pacific theaters.

Mr. Maehrlein is a member of the Masonic order and is a veteran of World War I.

During opening week, the new station will give souvenir coins commemorating the 50th anniversary of the Seaside corporation.

If a weedkiller works by penetrating the leaves, oil-soluble compounds should be used, if it is absorbed by the roots, water-soluble compounds are preferable according to scientists at the University of California College of Agriculture.

American youths are confident of the future and their morale is equally high whether they are from the upper or lower economic level, but they are not as optimistic today as during the blackest period of the war, according to a study at the University of California.

Carrie Jacobs Bond, the beloved American composer, in her will directed that her personal effects be left to the University of California at Los Angeles.

Accidental Death

(Continued from Page 1)

Supply Growers Co-Operative, and a director of the Santa Clara Valley Water Conservation Board and of the Santa County Fair.

The accidental death resulted after a shaker with which he was harvesting prunes was hurled downward by a falling tree limb, rupturing the abdominal wall. He died after treatment in a San Jose hospital proved of no avail.

He is survived by his widow, Mrs. Emily L. Gardner, his father, Frank Gardner; a son Merle B. Gardner, a daughter Mrs. Ada Gardner McEwen and two grandchildren, Harley and Gerald Gardner.

His brothers Ralph Gardner, Del Patio avenue, and Herbert Gardner, Union avenue, also survive.

LLOYD GARDNER

In the passing of Lloyd Gardner, this community has lost one of its finest citizens. He has given unstintingly of his time and interest in the development of the schools of this district as well as to many other pursuits of public interest. Many people have moved into this community because of its schools, little realizing his work as a member of the Board of Trustees for the past 23 years. He has always been fair-minded and a good friend to all.

Not only will he be missed by his family, but by his associates

M and M Ice Cream Makes Flavorful Business Debut

Pure ice cream, the kind made with real cream and flavored with real, honest-to-gosh strawberries, pineapple, or what flavor would you like? is now made and sold right in Campbell.

To the delight of folks who live ice cream—and who doesn't?—it has all the fresh tastiness of the home-made kind, plus a creamy texture that's due to the newest in modern freezing equipment.

Mr. and Mrs. Grover Mintkenbaug and Mr. and Mrs. William A. McGowan opened the "M and M" plant and retail store on E. Campbell avenue, opposite the Grammar School.

Mr. McGowan, formerly of Oakland, was business manager of the Brotherhood of Railway Trainmen and Mr. Mintkenbaug engaged in the ice cream business in Ohio before moving to Campbell.

and by the people of this community.

The Campbell schools and the education of the children of this community will be a living tribute to this fine man.

GRANGE NEWS

Orchard City Grange No. 333 met at Odd Fellows Hall September 23, with Herbert Shadle, Master of the Grange presiding. This was a very well attended meeting, with several out of town visitors.

Mr. and Mrs. Ernest Coonrad, prominent dairyman of Almaden and Past Master of Omona Grange obligated six new members in the four degrees. The new members are: Sarah and J. M. Blue, Robert and Mabel Root, Mrs. Margaret Lewis and Mrs. Etta May Eddleman.

The lecturer presented Mr. and Mrs. E. R. Schaffer of Mountain View, who showed many beautiful colored pictures taken on his recent trip in Mexico and also displayed some hand painted pottery, pictures and rugs.

Mr. H. Barnes reported that they expect a very large attendance at the state convention. He also asked the members to notify him or Mrs. Coonrad of Almaden of any rooms they have that will accommodate out of town people to the convention, as there will not be enough hotel accommodations to take care of the crowd expected at the state convention.

Mervin Keesling reported that the Grange won a \$275 second prize at the recent County Fair for the Grange booth. Mr. Keesling raises the finest peaches of all kinds besides nectarines, etc., in this valley, which is shown by

the individual prizes won by him every year. He won 33 ribbons this year mostly blue. He received \$121 in cash prizes.

Mrs. H. Shadle, chairman of the Home Economics Club, reported that the Grange strawberry shortcake booth at the fair was a huge success. She also announced the next H.E.C. meeting of Orchard City Grange to be at the home of Mrs. Anne Dolfin, 617 Morse avenue, San Jose, on October 8. Mr. and Mrs. Hughes and Mrs. Regan were on the refreshment committee and served a feast of watermelons.

The lecturer announces that Mr. Martin Walsh will show pictures from a recent trip with Mrs. Walsh through Alaska on October 12, Columbus Day.
